

16th September 2022

To,

Mr. Sandeep Sada

Hiring Manager

Deerhold Ltd.

Dear Hiring Manager,

I want to apply for the internship for frontend which you advertised for vacancy on the LinkedIn website. I have a two years of experience in Python, Django, Frontend Field, ReactJS and feel like I am a good candidate for this job. My experience in the web development has given me the capabilities that can help in your organization in developing web programs.

Looking at Deerhold, it will be a much better place for me to expand my development skills and interests. I will give my upmost best to bring new ideas which can help Deerhold to achieve much greater goals. I can code in frontend HTML, CSS, ReactJS, Bootstrap having the knowledge of OOP, can work in both group and solo. Also, have many experience with MySQL, NoSQL like MongoDB, expert in Django Python Framework, NodeJS and can easily make my coding reusable, testable which will be helpful for my team as well.

Also, I am currently at the 3rd year of my Bachelor`s Degree in Computing, I have gained experience while doing the projects at my college like I had made an online food ordering website with fully developed frontend as well as backend, online guitar shop with fully developed frontend with ReactJS and backend with NodeJS. Gaining all these experience, I am open to always learning new skills and work for the company which will help me to reach greater heights in my career.

Lastly, I want to thank you for taking your precious time to read my letter. Hope you will review my application as well as my CV which I have attached in the letter. I sincerely and enthusiastically will expect your response of my application.

Yours sincerely,

Rijwol Shakya
